Job Description

Science Specialist

(Maternity Leave)

The Options Charter School-Noblesville is seeking a Science Specialist from April 1, 2009-May 28, 2009. Options is a small alternative, charter high school designed to serve the needs of 135 students in the central Indiana region who have been underachieving in their traditional high school programs. We are a learner-centered school that is attentive to students' unique differences including learning styles, abilities, talents, developmental levels and emotional states of mind.

We are seeking an individual who is certified to teach any science and is willing to teach earth science, biology, chemistry, physical science, and who will also serve as an advisor to a small group of students. This individual must be able to execute developed lesson plans based on the Indiana Academic Standards utilizing project based instruction and authentic assessment of learning. He/she must be willing to work collaboratively with the staff and, most importantly, must have a good heart and be willing to develop strong relationships with his/her students.

Additional information about the school may be found by visiting our website at www.optionsined.org.

If interested please forward a resume and cover letter to Mike Gustin at Options Charter School-Noblesville, 9945 Cumberland Pointe Blvd Noblesville, IN 46060, fax to 317-773-9017, or e-mail to mgustin@optionsined.org.
